Newfoundland

Scale:

Date: 1779

Custodial History: bought by Edward Taylor in London in 1783. Became the property of the Hamilton Literary and Scientific Association (presented by Mr. J.H. Killey) on May 21, 1887 and presented to the Hamilton Public Library on March 12, 1946

Description: original published maps

Scope & Content: "The North American Pilot for Newfoundland, Labradore, the Gulf and River St. Laurence: being a collection of Sixty Accurate Charts and Plans, drawn from Original Surveys: Taken by James Cook and Michael Lane, Surveyors, and Joseph Gilbert, and other Officers in the King's Service. Published by Permission of the Right Hon. The Lords Commissioners of the Admiralty: Chiefly Engraved by The Late Thomas Jefferys, Geographer to the King. On Thirty-Six Large Copper-Plates. London: Printed according to Act of Parliament, and Sold by R. Sayer and J. Bennett, No. 53, in Fleet-Street. MDCCLXXXIX. N.B. Of whom may be had, Sailing Directions to the above Charts"

Notes: Incomplete. The Title Page is present as is the Index Page. Of the charts the following are present:

3 – A Chart of the South-East Part of Newfoundland, as far as Chapeau Rouge, containing the Bays of Placentia, St. Mary, Trepassey, and Conception; with several Appearances of the Eastern Coast, from Ferryland to St. Joh's.

9 – A Chart of the Harbour of Halifax, in Nova Scotia, Jebucto Bay, Cape Sambro, &c. with Directions for avoiding the Ledges lying to the Westward and Eastward of Sambro Island and Lighthouse, as well as for entering the Harbour of Halifax

10 – A Sheet containing the flowing particular plans, viz. 1. A Plan of Port Dauphin, [on the Eastern Side of Cape Breton Island] 2. A Plan of Murgain, or Cow Bay, [on the Eastern side of Cape Breton Island] 3. A Draught of the Gut of Canso, between Nova Scotia and Cape Breton Island, with sailing Marks and Appearances of the Shore

11 – A Chart of the Gulf of St. Laurence

12 – A particular Chart of the Magdalen Islands, with sailing Marks, &c.

13 – The Isle of St. John, on a very large Scale, with all the Soundings round the Cost and Harbours

14 – A Plan of Chaleur Bay on the Western Side of the Gulf of St. Laurence, with the Appearance of the Northern Coast.

15 – A particular Plan, on a very large Scale, of Ristigouche Harbour, at the Bottom of Chaleur Bay, with all the sailing Marks, and the Appearances of the surrounding Land.

18 – A Chart of the Eastern Coast of Labrador, from the Straights of Bellisle to Cape Bluff, with the Plans at large of 1. The Three Harbours of Sophia, Charlotte, and Mecklenburg, near the Entrance of St. Alexes River. 2. Petty Harbour, to the South of the Three Harbours

19 – A Chart of Part of the South Coast of Labrador, from Grand Point to Shecatica, containing also the particular plans of 1. Mecatina Harbour, with sailing Marks. 2 St. Augustin's Entrance. 3. Cumberland Harbour

A Chart of the River St. Laurence, from the Island of Anticosti, to the Falls of Richelieu, ini three Parts, divided as follows, viz.

20 – Part the First, from Cape Roisiers, and Anticosti Island to Cape des Monts Peles. This contains several Appearances of Land, near Gaspé Bay, and the Plans at large of 1. Gaspé Bay, with sailing Marks, and the Appearances of Land between Vonaventure Island, and Cape Rosiers. 2. Mingan Harbour [on the Labradore side] 3. Mingan and Parokett Islands [on the Labradore side]

21 – Part the Second, shewing the Course of the River from Cape des Monts Peles to Hare Island. In this are also delineated two particular Charts on a larger Scale: the first of that Part of the River between Green Island Isle aux Coudres, with sailing Marks between Hare Island and the Southern Shore. The second of the English Channel, between Isle aux Coudres and the Southern Shore, with the most remarkable Appearance of Land on that Shore; as also of the Channel for large Ships between Isle aux Coudres and the Northern Shore. This Second Part contains, besides, the following Plans of Harbours on the Northern Shore. 1. The Seven Islands with their Bay, and the several Channels. 2. Havre St. Nicholas. 3. Point aux Allouettes, or Larks Point, with the adjacent Coast.
